SUMMER CAMP JULY 2011

We hope the campers are having a fun summer so far. It's not easy planning activities that everyone will love, but hopefully everyone has enjoyed most of their activities. The camp counselors are having a great time with this group of kids and are pleased with the cooperation and behavior of the kids on and off site!

Here are a few general reminders:

CLOSED JULY 4TH

Discovery World will be closed on Monday, July 4th for the Independence holiday. Enjoy your long weekend!

JUICE DONATIONS

Thanks for your juice donations! Wow, can this group drink the juice! We appreciate your monthly help in keeping their thirst quenched! Speaking of thirsty, if your camper would like to bring a water bottle to keep on hand in the classroom, that would be fine.

LABEL THOSE BELONGINGS

Please remember to label all items from home, especially game systems, cds, etc.

CAMP SHIRTS

If you take your camper's shirt home, please remember to bring the shirt back the next day, especially if a field trip is planned. The kids wear these shirts on field trips to identify our group and help us keep track of the campers by counting orange shirts. We do wash the shirts each weekend (Thanks Mrs. Litchney!) so they are fresh Monday morning.

LUNCHES

Please make sure your child has a fruit or vegetable for lunch each day.

THANKS FOR SUPPORTING THE BAKE SALE

Thanks to all who donated items for the bake sale and to those who purchased the goodies. Everything was delicious and reasonably priced! The kids love handling all the responsibilities that go along with marketing, baking, selling and making change. We made about \$80 from the sale that will help cover some of the more expensive field trips.

STEEPLE CONSTRUCTION UPDATE

As you can see, construction continues in replacing the church steeple. As is the case of many older buildings, once work begins, more problems are discovered. Therefore, before the new steeple can be attached, repairs need to be made on the roof - prolonging the construction process! We'll keep you posted on the latest steeple progress.
